

Peer Groups Second Group Meeting

Together with your peer group listen to the audio file “**Peer Groups**,” available at pennstatecru.org/peer-groups. It will help you to print out “**The SORT Process**” from the same site.

The logo for Cru. is a black square with the word "Cru." written in a white, serif font.

Discuss these questions:

SORT:

What about the SORT process is attractive to you?

What parts of SORT do you not understand?

What will be challenging for you in this process?

How is your devotional life right now? Where are you satisfied and what areas do you want to change?

What makes it hard to read the Bible from a redemptive viewpoint?

How do you apply Christ's solution in your life now? What are you hoping to learn through this process?

Getting started:

What are helpful questions for the other members in my group to ask me every week?

When and where are we going to meet?

Who will facilitate each week?

What will be the role of confession in your group?

How will you encourage or keep each other accountable to do T (tell others)?

What passage are we going to study?
